**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2019**

1 Statement of Significant Accounting Policies

The financial statements cover Telco Together Fund as an individual entity. Telco Together Fund is a trust, established and domiciled in Australia.

Basis of Preparation

The Fund is not a reporting entity because in the opinion of the directors of the Trustee company there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this 'special purpose financial report' has been prepared to satisfy the Trustee's reporting requirements under the Trust deed and the Australian Charities and Not-for-profits Commission Act 2012.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial report has been prepared in accordance with the recognition and measurement requirements specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Australian Accounting Standards AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1054 'Australian Additional Disclosures' and AASB 1048 'Interpretation of Standards'.

The Fund is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared on an accruals basis and are based on historical costs. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 20 September 2019 by the directors of the Trustee company.

The following significant accounting policies have been adopted in the preparation of the financial statements.

Property, Plant and Equipment

Classes of property, plant and equipment are measured using the cost model.

Asset are carried at cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

TELCO TOGETHER FUND

A.B.N. 91 256 972 804

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2019

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

The depreciable amount of all fixed assets including capitalised leased assets, is depreciated on a reducing balance method over the asset's useful life commencing from the time the asset is held ready for use.

Assets held under a finance lease and leasehold improvements are depreciated over the shorter of the term of the lease and the assets useful life.

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Fund commits itself to either purchase or sell the asset (i.e. trade date accounting adopted).

Impairment of Assets

At the end of each reporting period, the Fund assesses whether there is any indication that an asset may be impaired. The assessment will include considering external and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the Fund estimates the recoverable amount of the cash-generating unit to which the asset belongs.

A.B.N. 91 256 972 804

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2019

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members of the Telco Together Foundation as well as accounts receivable from the Australian Taxation Office. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of receivables and other debtors are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in the statement of profit or loss and other comprehensive income.

Employee Benefits

Provision is made for the Fund's liability for employee benefits arising from services rendered by employees at the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on corporate bonds with terms to maturity that match the expected timing of cash flows.

Provisions

Provisions are recognised when the Fund has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2019**

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

Account Payables and Other Payables

Account payables and other payables represent the liabilities at the end of the reporting period for goods and services received by the Fund that remain unpaid.

Account payables are recognised at their transaction price. Accounts payables are obligations on the basis of normal credit terms.

Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing or financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Income Tax

No provision for income tax has been raised as the Fund is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

Audit Services

Auditing services have been provided by Deloitte Touche Tohmatsu on a pro-bono basis.

The financial report was authorised for issue on 20 September 2019 by the directors of the trustee company.

Independent Assurance Report to the Trustee of Telco Together Fund

Opinion

We have undertaken a reasonable assurance engagement on Telco Together Fund's compliance, in all material respects, with section 11.6 of the Trust Deed (Trust Deed) as evaluated against the *Public Ancillary Fund Guidelines 2011*, for the period from 1 July 2018 to 30 June 2019.

In our opinion, Telco Together Fund has complied, in all material respects, with the Trust Deed as evaluated against the *Public Ancillary Fund Guidelines 2011*, for the period from 1 July 2018 to 30 June 2019.

Basis for Opinion

We conducted our engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* ("ASAE 3100") issued by the Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The Trustee's Responsibilities

The Trustees are responsible for:

- (a) The compliance activity undertaken to meet the compliance requirements of the Trust Deed;
- (b) Identifying risks that threaten the compliance requirements of the Trust Deed identified above being met;
- (c) Identifying suitable compliance requirements of the Trust Deed; and
- (d) Identifying, designing and implementing controls to enable the compliance requirements of the Trust Deed to be met and to monitor ongoing compliance.

Our Independence and Quality Control

We have complied with the independence and other relevant ethical requirements relating to assurance engagements, and apply Auditing Standard ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on Telco Together Fund's compliance, in all material respects, with the Trust Deed as evaluated against the *Public Ancillary Fund Guidelines 2011* for the period from 1 July 2018 to 30 June 2019. ASAE 3100 requires that we plan and perform our procedures to obtain reasonable assurance about whether, Telco Together Fund has complied, in all material respects, with the Trust Deed as evaluated against the *Public Ancillary Fund Guidelines 2011*, for the period from 1 July 2018 to 30 June 2019.

Deloitte.

An assurance engagement to report on Telco Together Fund's compliance with the Trust Deed involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements of the Trust Deed. The procedures selected depend on our judgement, including the identification and assessment of risks of material non-compliance with the Trust Deed, as evaluated against the *Public Ancillary Fund Guidelines 2011*.

Our procedures included such procedures that we considered necessary in the circumstances, including, but not limited to review of information held by Telco Together Fund to determine that the Fund has complied with the *Public Ancillary Fund Guidelines 2011*.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with compliance requirements of the Trust Deed may occur and not be detected.

A reasonable assurance engagement for the period from 1 July 2018 to 30 June 2019 does not provide assurance on whether compliance with the Trust Deed will continue in the future.

Restricted Use
